

Please contact your insurance provider to confirm insurance coverage

(Please ensure that you read both pages of this document)

Have your member number and group/employer ID ready, and ask:

- 1.) Is Bariatric Surgery covered by my insurance plan?
- 2.) Are bariatric related services, such as labs, imaging, endoscopy, etc... covered by my insurance plan?
- 3.) Is surgery at Sacred Heart Hospital, Eau Claire, WI, covered by my insurance plan?
- 4.) Is Dr. Brandon Andrew, of Evergreen Surgical, SC, Eau Claire, WI, covered/in-network for my insurance plan?
- 5.) Are there any additional requirements such as additional dietary visits through the insurance provider? (telephone or telehealth visits with the insurance provider's dieticians, for example)
- 6.) Please obtain a copy of your insurance provider's "Bariatric surgery pre-approval requirements"

These are the the codes you may need for your phone call:

Surgical codes: 43775, 43644

Diagnosis code: E66.01

Dr. Andrew's NPI number: 1467745224

Sacred Heart Hospital's NPI number: 1205811221

Please use the space below to keep a record of your insurance confirmation

Time/Date of insurance confirmation: _____

Name of insurance personnel you spoke with: _____

Reference number given during your call: _____

It is your responsibility to confirm insurance coverage prior to your initial visit with Dr. Andrew, or immediately after your visit. If you are not covered by insurance, we will discuss alternative options.

Please note that the initial program fee of \$414 is not covered by insurance, and is payable to Sacred Heart Hospital when you start the program.
